Mr. Sandy Mathes, CEO  
Otsego County IDA

Dear Sandy:

Our committee met yesterday to discuss the future of the county's economic development department.

We discussed your proposal to handle economic development activities. The Otsego County IGA committee is working to put its house in order, and is not taking action at this time.

We wish you the best in growing Otsego County, and have every confidence that your endeavors will be successful.

Sincerely,

Betty Anne Schwerd  
IGA Chair
