**DEPARTMENT OF ENGINEERING**

**PUBLIC SERVICE ANNOUNCEMENT**

July 3, 2014

Nighttime milling and paving of several Downtown streets will begin on Monday, July 7<sup>th</sup> and is expected to be completed by Thursday, July 17<sup>th</sup>. Work will take place between 8:00 p.m. and 7:00 a.m. each night. The anticipated schedule will be as follows, weather permitting.

Main St Parking Lanes (Elm to Chestnut)... milling 7/7, paving 7/10; street will be closed during work

Fire Department Equipment Bay Ramp..... milling 7/7, paving 7/10; traffic to be maintained by flaggers

Dietz St (Main to Wall) & Wall St..... milling 7/8, paving 7/15; streets will be closed during work

Main St (Elm to Hunt)..... milling 7/8-7/9, paving 7/14 & 7/16; traffic to be maintained by flaggers

Traffic signal loop detectors will also be replaced at the intersections of Main & Dietz and Main & Maple. The project will conclude with restoration of pavement markings.

For questions, please call the City Engineering Department at 607-432-6465.
