Postcards from a Friend

A Tribute to

Lois Herrick

Our opening Sunday is dedicated to the memory of a very special SW board member and our dear friend, Lois Herrick.

She is remembered for her love of Oneonta, her musical talents, her community service,

as well as her expertise in antiques, collectibles, and especially her treasured collection of old Oneonta post cards.

John Carney, Loraine Tyler and others will share their own knowledge of postcards as well as their collections. All are invited to bring old Oneonta post cards to share as well.

All programs are free and open to the public. The SW House Museum is handicapped accessible. Informal tours and light refreshments will be available.

Directions:

From Main St Turn on to River St. At light, turn left onto Wilcox Ave (by Boys & girls Club) SW House is on the right.
